

# AUGUST

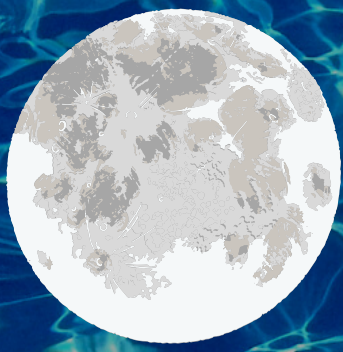

## ORANGE GRAND COMMUNITIES

### *Community Reminders*

- Please do not take any produce from garden plots that are not yours. Other residents have worked hard for their produce.
- Please turn off the garden hose after use!
- School is starting this month, please be aware of your speed when driving through the community. The speed limit is 15mph and should be obeyed at all times.

Thank you for cooperation in making  
Orange Grand a great place to live!

# Maintenance Tips & Tricks *with Dan and Lance!* **TRASH COMPACTOR**

Be sure to always open the compactor door, and place all of the trash inside. Shut the door after, so that the compactor will automatically run.

It is important to break down all boxes and insert inside of the compactor, **never on the ground.**

If the compactor is jammed, call 740-521-8800, or email [og@sregroup.com](mailto:og@sregroup.com)

All bulk trash needs to have a bulk pickup service remove the items, including: mattresses, couches, desks, tables, etc.

## Tigger & Shoie

Hi, I'm Tigger and this is my older brother Shoie. I am a Terrier mix and Shoie is a Shih Tzu. I am almost 2 and Shoie is 14. I love playing with my friends, Riggs, Rori, Max, and Stella !! If you walk by and you see me out and I am barking please don't be scared I am just saying hello and would like you to play. Mom is trying to help me to control my bark! Shoie likes to nap – a lot so he doesn't play with me much. Shoie and I like snacks and I love to give kisses- mom thinks too much but I don't care it makes me happy. So if you see us out back, on a walk or at my favorite place the dog park-say hi and let's play.
